ZUMAR Technocrats Arabia LLC

# CEO Message

*"Our responsibility is to deliver precision today and build capability for tomorrow."*  
– Malik Rafee Ahmed  
Founder & CEO

---

*At ZUMAR, we are driven by a steadfast commitment to integrity, teamwork, and innovation. Our approach centers on operational excellence, ensuring every project meets the highest standards of safety, quality, and efficiency. We believe in building sustainable solutions that create lasting value for our clients and the Kingdom. Through continuous improvement and dedication to our craft, we strive to be the trusted partner that delivers results today while building capability for tomorrow.*

---

# Our Commitment

# Vision and Mission

## Our Vision

*To be a lifelong strategic partner for our clients, delivering world-class engineering, construction, and integrated services that drive sustainable growth and contribute to the prosperity of the Kingdom of Saudi Arabia.*

## Our Mission

*To empower Saudi Arabia's industrial and infrastructure growth through innovative solutions, exceptional service delivery, and unwavering commitment to quality, safety, and sustainability—creating lasting value for our stakeholders and supporting Vision 2030.*

# Why Choose ZUMAR?

## 30+ Years Expertise

*Three decades of proven industry experience across oil & gas, petrochemicals, construction, and infrastructure sectors. Our seasoned team of engineers, supervisors, and technicians brings deep technical knowledge and hands-on expertise to every project, ensuring precision execution and exceptional quality standards aligned with Aramco and international specifications.*

## End-to-End Solutions

*Comprehensive integrated services covering the entire project lifecycle from planning through execution and maintenance. We deliver turnkey solutions in construction, facility management, manpower supply, equipment rental, and specialized technical services—eliminating the need for multiple contractors and ensuring seamless project delivery.*

# Introduction to ZUMAR

## Who We Are ---

*ZUMAR is a mid-sized, dynamic company based in the Kingdom of Saudi Arabia, delivering integrated solutions across multiple sectors. With deep expertise and unwavering commitment to service excellence, we partner with clients to achieve their operational goals with precision and reliability.*

## Our Services ---

- *Project Management & Construction*
- *Facility Management*
- *HR & Manpower Solutions*
- *Equipment Rental*
- *Testing & Commissioning*
- *IT & AI Services*
- *Quality & Safety Auditing*

# Sectors We Serve

## Energy & Industrial<sup>1</sup>

- Oil & Gas
- Petrochemicals
- Power & Utilities

*Delivering excellence across Saudi Arabia's critical energy sectors with precision engineering and operational expertise.*

## Infrastructure

- Construction & Infrastructure
- Logistics & Warehousing
- Government & Public Sector

*Supporting the Kingdom's Vision 2030 through quality construction and infrastructure development.*

## Service Industries

- Healthcare & Medical
- Hospitality & Food Service

*Providing specialized solutions for service-oriented sectors with commitment to quality and safety standards.*

# Project Management & Construction

## Division Overview

*Our division brings together experienced engineers, supervisors, and skilled technicians who manage every phase of the construction cycle with precision. We specialize in both interior and exterior finishing works, delivering exceptional quality from foundation to final handover. Our integrated approach ensures seamless project execution, meeting the highest industry standards.*

## ISO Certifications

*Our commitment to excellence is backed by internationally recognized certifications:*

- *ISO 9001:2015 – Quality Management System ensuring consistent delivery standards*
- *ISO 14001:2015 – Environmental Management System for sustainable operations*
- *ISO 45001:2018 – Occupational Health & Safety Management protecting our workforce*

# Civil Construction Services

## Core Services

---

1

- *Earth Work & Excavation*
- *Substructure & Superstructure*
- *Waterproofing & Damp Proofing*
- *Steel Structure Fabrication*
- *Road Asphalts & Road Marking*
- *Foundation & Concrete Works*
- *Structural Reinforcement*
- *Site Preparation Services*

## Finishing Works

---

- *CMU Block Work & Plastering*
- *Interior & Exterior Paints*
- *Suspended & False Ceilings*
- *Drywall & Gypsum Partitions*
- *Doors & Windows Installation*
- *Tiles, Marble & Stone Works*
- *Wood Works & Furniture*
- *Complete Interior Finishing*

# Specialized Services

## Concrete Repair

*Expert concrete repair services addressing structural damage, honeycomb defects, cracks, and deterioration. Our specialized team employs advanced techniques including epoxy injection, patching, and structural strengthening to restore concrete elements to their original integrity, extending asset lifespan and ensuring safety compliance.*

## Core Drilling & Thermal Insulation

*Precision core drilling services for structural modifications and utility installations. Advanced thermal insulation solutions ensuring energy efficiency and temperature control. Our certified technicians utilize state-of-the-art equipment to deliver accurate results while maintaining structural integrity and meeting all safety standards.*
